Subject: Re: ACRS Subcommittee Meeting on SOARCA

Hossein

We have a letter into Farouk requesting the afternoon session to be closed because "security-related information" will be discussed. He had some minor comments so we should get it to you ASAP, before 1:00pm.

Bob

Bob,

Per our yesteday phone conversations, we need your reason for closing a portion of the meeting. We only have until 1:00 PM today to amend the announcement in Federal Register for closing the meeting.

Hossein
